6th Grade Teachers Edition Big Ideas Math

I find 6th grade students are kind all over the map when it comes to reading. Some love reading and never want to put their books down, some read because they 'HAVE to', and others love to share their 'HATRED' for reading! I think I was destined to become a 6th grade reading teacher because I detested reading as a 6th grader! I don't remember who helped me resolve my hatred of all things ...
