African American parents also need to understand that just because their child may not look traditionally Black to them, this does not mean that the world will not identify them as a minority race....

The Parents of Mixed-Race Children Must Understand THIS ...

The acknowledgement of a black child's blackness by white parents is a delicate thing. It must be constant yet never blaring. It must become effortless yet conscious. It must be broached such that the child realizes black is everything he is but not all he is. A white parent of a black child must be skilled at navigating the intricacies of that child's racial identity such that it becomes as natural as breathing.
