So, I tried the Fathom and I knew I'd found my new boat. 20 years in a Prijon SeaYak which served me very well. But, I'd always wanted a nice fiberglass boat, maybe a P&H. Now, I really have no need for such a craft. The Fathom tracks really well, glides really well, and is very responsive to leaned turns.

I got a great deal on a pair of Penn Fathom-Master 825's BUT the wiring was cut and the owner only used the + and - wires to run the riggers.. Now there are 4 wires in the harness so any one have an ised as to what the other 2 wires are for? I am trying to find the manuals for these on line but hoped that someone has a knowledge of these..
