These certifications are CCFP® (Certified Cyber Forensics Professional): This is a certification for forensics and security ...

## **(ISC)2 Certifications Besides CISSP - dummies**

This book provides a shorter overview of the topic areas so I can see the high level view. It is a great jumping off point to other longer, more technical books on the subject. It appears to be a good overview for the CISSP exam also, although I am a number of years off from qualifying for that exam.
