Four Corners. This technique stimulates student learning through movement and discussion, and it can also be used as a formative assessment. Students are presented with a controversial statement or are asked a question. In each of the four corners of the classroom, an opinion or response is posted. Students express their opinion or response by standing in front of one of four statements, and then talking to others about why they have chosen their corner.

Best ESL Textbooks Adults: Touchstone, Four Corners, World ...

Four Corners is my favourite 4-skills book because the topics are interesting and the activities are engaging and interactive. It's focused almost exclusively on real-life communication between students, which is definitely my style. It should be at the top of any list of the best ESL textbooks in my opinion. It really is that good!
