You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

Saab 9 3 2003 2007

Work on a third generation Saab 9-3 started in 2007, when designers in General Motors facilities in Rüsselsheim and Detroit began work on a design study. The design language was supervised by Simon Padian, and the design team managed to produce a clay model and several computer models before General Motors announced it had put the Saab brand "under review" in December 2008.
