### Ethical issues and challenges in the context of public ...

Anne Catambay on Tuesday, June 13, 2017. There are many ethical lines that can be crossed in project management. The bigger the project, the more opportunities arise for people or companies to compromise their ethics in an effort to bring the project in on time and on budget. However, when project managers and other stakeholders turn a blind eye to questionable activities, the results are often disastrous— blown budgets, legal trouble and even criminal charges are all too common in today ...
