An Insight from Allan Mecham on Understanding Industrial ...

One of my favorite investors is Allan Mecham. Mecham is a value investing legend that flies under the radar. You're probably asking, Who is Allan Mecham? Forbes wrote an article about him called, Is This The Next Warren Buffett? Marketwatch wrote an article about him titled, The 400% Man, but most investors have never heard of him.

Allan Mecham - Look for Cockroachlike Businesses

This weekend I came across a link to an excellent Manual of Ideas interview with Allan Mecham that I've read before, but I decided to read through it again. There are a few key points that Mecham brings up that I think are really worth repeating, so I thought I'd highlight them here. Investing is not easy, but it should be simplistic.

Allan Mecham | Base Hit Investing

Spare a thought for Allan Mecham. At first glance it's hard to feel sorry for the head of Arlington Value Management who, at 34 years old, logged a 400% return over the 12 years to 2011.

The 'Next Warren Buffett' Curse Is Real

The interview touches on these points, as well as a few other aspects of investing that are interesting. You can also read the 400% Man article from a few years back to get a better idea of how Mecham thinks about investing, which I think is a very prudent way to allocate capital. Merry Christmas and Happy Holidays to everyone.

Exclusive Interview with Allan Mecham We recently had the pleasure of interviewing Allan Mecham who heads Arlington Value Management.

Exclusive Interview with Allan Mecham

Hi, I remember reading the old letters from Arlington Value and Allan Mecham getting called out for his results. They have an external custodian, aka, a separate company holds the actual shares, maintains the client's accounts, preps the client's K-1s, and reports on their performance to the clients.However, since the incident a year ago - he's sort of vanished.
