Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

Google

Google Slides themes are a pre-set group of colors, fonts, backgrounds, and layouts. You may sometimes see themes called “templates”—these two terms are interchangeable and work in the same way. Themes/templates allow you to enter your own information but save you a lot of time by taking care of the overall look and layout for you.
