## **Social housing governance**

government has cut funds for social housing and ignored all attempts to develop any semblance of a national housing policy (Tiernan and Burke 2002). The response by the states has been to match the federal government in its neglect of wider housing policy and to focus on reforms of governance within the social housing system. We have

### **Governance and Social Housing: Can Good Governance Be Bad ...**

In the most simple terms, boards are responsible for oversight and planning and management takes care of the daily operations. The breakdown in the duties and responsibilities for each section are much more extensive. Whether you take a broad or a narrow approach to the difference between governance and management, the differences are specific and distinct.

## **The Difference Between Governance and Management - Board Effect**

Despite advancements in practicing project management, major projects continue to fail. One cause of these failures seems related to the fact that many organizations, to adhere to legislation which world governments have recently instituted to regulate corporate activities, are experimenting with the concept of project governance and exploring its relationship to project performance.

## **Corruption and Good Governance - United Nations**

Housing associations are independent organisations, regulated and often funded by the government, providing housing for people in need and are expected to have equality schemes in place. Local authorities can only place certain people on their allocation schemes or waiting lists for housing: this is set out in legislation.
