Introducing Graphic Guides Language both sets us apart from our fellow creatures and identifies us as uniquely human. We use language to establish and maintain group membership, to express our emotions, to amuse ourselves and to entertain friends, to convey information both serious and trivial and to exist in a world populated by others.

Introducing Linguistics: A Graphic Guide

A nice introduction, using heavy doses of graphics arts to make it a very easy read. The first part covers some historical schools of analysis, starting with grammar, and is less interesting. Language depends on common metaphors, but these are cultural (e.g., direction of time for Greeks is reversed).
