Søren Kierkegaard, "Truth as Subjectivity"

When subjectivity, inwardness, is truth, then objectively truth is the paradox; and the fact that truth is objectively the paradox is just what proves subjectivity to be truth, since the objective situation proves repellent, and this resistance on the part of objectivity, or its expression, is the resilience of inwardness and the gauge of its strength.

Becoming a self in this way is called existence, inwardness, and subjectivity. This use of existence as a technical term for the finite, human self that is always in the process of becoming can be seen as the birth of existentialism. Many scholars accordingly refer to Kierkegaard as the father of that movement.

Søren Kierkegaard - Three dimensions of the religious life ...

"Subjectivity is, first of all, inwardness and passion." It is a commitment, not a mere discovery or "correctness."

Subjectivity is the realm where we find that very special sense of existence from which "existentialism" will eventually get its name.
