All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats.

Life Manual

Life: A User's Manual (the original title is La Vie mode d'emploi) is Georges Perec 's most famous novel, published in 1978, first translated into English by David Bellos in 1987. Its title page describes it as "novels", in the plural, the reasons for which become apparent on reading.

Life: A User's Manual - Wikipedia

As you step inside this book it is immediately apparent that the author is bearing his soul, sharing his own personal life manual, principles that guided him to some of the biggest wins imaginable and through the tragic loss of his son. Through an organization called Life Pilot, I discovered that the writer is committed to giving back to ...

I need a user manual for my life! Advertising. I have a password manager, personal information manger, Treo, online todo list, reminder system, Moleskine notebook — but nowhere had I written down the step-by-step instructions for making this payment. Nor, I realized, did I have a record of most of the tasks I do routinely.
