RCPS - Science Pacing Guides

Science. Social Studies. Tennessee's standards have kids learning some concepts in an earlier grade than their parents did. As a parent, you don't need to be completely confident with the lesson to help your child with homework. Tip: Ask your children to explain concepts they're working on - teaching someone else is a great way to learn.

Curriculum and Standards — Metro Nashville Public Schools

Standards Support Documents. The TN Science Standards Implementation Guide can be used to facilitate meetings and investigations which connect the framework to the 2018-19 science standards. The Science Standards Reference is an exploration of all three dimensions of science instruction: science and engineering practices, crosscutting concepts, and disciplinary core ideas.

The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new ...
