### Religious Literacy: What Every American Needs to Know-And ...

The United States is one of the most religious places on earth, but it is also a nation of shocking religious illiteracy. Only 10 percent of American teenagers can name all five major world religions and 15 percent cannot name any.

### Religious Literacy: What Every American Needs to Know--And ...

Without apparent bias, and with appropriate vocabulary, Prothero traces a history of American religious literacy. So many people learned to read by reading the Bible, and so many early primers were full of Bible stories and references. There didn't used to be the vast amount of reading material that we take for granted today.
