As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format.

### T3485 Vs M26 Pershing Korea

This is a very well-written, informative "Duel", featuring the T-34-85 against the M-26 Pershing in the Korean theater. Both tanks were WW2 vintage. The T-34-85 was an upgrade of the T-34-76 with a more powerful gun (and bigger turret) as the 76 mm gun of the original - a mighty weapon in 1942 - didn't cut it anymore in 1944.

### T-34-85 vs M26 Pershing: Korea 1950 (Duel): Zaloga, Steven ...

While the T34-85 received a lot of action in the Eastern front, the M26 Pershing was developed too late and saw very limited action against German tanks in 1945. The M26 was used extensively in the Korean War, where it was pitted against the Russian T34-85 tank.

### Amazon.com: T-34-85 vs M26 Pershing: Korea 1950 (Duel Book ...

The Soviet-equipped North Korean Peoples Army initially dominated the battlefield with the seemingly unstoppable T34-85. As US tank battalions hastily arrived throughout the late summer and early autumn of 1950, the M26 Pershing took the fight to North Korea with increasing success.

### T-34-85 vs M26 Pershing: Korea 1950 by Steven J. Zaloga ...

M26 Pershing vs. T-34/85 08 Nov 04, 11:52 At the outbreak of the Korean War in 1950, the only tanks immediately available for deployment with the initial US reinforcements were the M24 Chaffee light tanks based in Japan. It was very quickly learned that these were no match for the North Korean T-34/85s.

### M26 Pershing vs. T-34/85 - Armchair General and HistoryNet ...

This is another in the "Duel" series, published by Osprey. Here, we see a comparison of two tanks opposing one another at the outset of the Korean War--the Soviet-made T-34-85 versus the American M26 Pershing (successor to the Sherman tank). The tank war lasted only through the first year of the conflict. A nice chronology appears on pages 6-7.

The Battle around the Pusan Perimeter during 1950 saw a showdown between the relatively untried American Pershing tank and the battle-hardened North Korean T...

### Pershing vs. T-34: Korea 1950 - YouTube

A total of 34 US tanks were knocked out by North Korean armor, including 6 M26 and 8 M46 tanks, of which only 15 were totally lost. The US tanks knocked out 97 T-34/85 tanks and claimed a further 18 as probables. The M26 was credited with 39% of the NKPA tank losses and the M46 with 12%.

### Sherman vs. Pershing in Korea | Weapons and Warfare

In service during the Korean War, the M26 had equivalent armour protection to the T-34-85, but struggled in the hilly and muddy terrain. It was withdrawn in 1951 in favor of its improved derivative, the M46 Patton, which had a more powerful and reliable engine and advanced suspension better able to handle the terrain.

### M26 Pershing - Wikipedia

Pershing vs T-34-85, have you ever wondered how those two WW2 tanks battled against each other? They indeed have in the Korean War in 1950. So today we take...

### T-34-85 vs M26 Pershing: Korea 1950 (Duel Book 32) eBook ...

While there were indeed "duels" between the T-34-85 and M26 during the Korean War, these altercations were somewhat limited, due to three main factors: 1) The Soviet T-34-85, operated by North Korean People's Army (NKPA) tankers, was the dominant force during to initial months of the war, with only ineffective resistance being encountered with hurriedly deployed, and hopelessly out-classed, M24 Chaffee light tanks.

### T-34-85 vs M26 Pershing: Korea 1950 (Duel Book 32) eBook ...

The US tanks knocked out 97 T-34/85 tanks and claimed a further 18 as probables. The M26 was credited with 39% of the NKPA tank losses and the M46 with 12%. About half of the engagements took place at ranges of 350 yds or less, and at this distance the M26 had a hit probability of 85%, somewhat higher when firing HVAP and somewhat lower when firing APC ammunition.

### Pershing vs Sherman in Korea - The Dupuy Institute Forum

The M46 Patton was an upgraded version of the M26 Pershing. Better engine and suspension. The performance of the M26 vs the M46 in Korea must have been due to the situation in which they were used rather than the overall effectiveness of the machines.
