## **Tech Mage: Magitech Chronicles Book 1 Released on Amazon ...**

"Tech Mage" is a well-done blend of futuristic tech and magic. The universe building is consistent, and I love how the magic and the tech work and interact. The story is interesting, and the story's development is handled well without resorting to a bunch of easy "coincidences" that help the main character out.

Journeying to a catalyst can allow a mage to unlock an aspect of magic, and many spend their lives trying to master all eight. The aspects are divided into two types, realms and elements. The realms include Life, Void, Dream, and Spirit. The elements include fire, air, earth, and water.

## **Magic & the Circle of Eight - The Magitech Chronicles**

Tech Mage Tech Mage is the first book in the Magitech Chronicles series by Chris Fox. Imagine all the futuristic world of starship combat, but then blending it with elements of Mages that weave magic through glyphs in the air to create complex spells to either cast offensive or defensive spells.

## **Chris Fox - Book Series In Order**

Tech Mage mostly follows amnesiac Aran's conscription and slow molding into a hero against the demonic Krox. A secondary character, Voria, is also given stage from time to time but her chapters are simply nowhere near as interesting as Aran's.
