After taking you through its many uses, Dr. Stapleton also explores the common obstacles to success with EFT--and how to combat them.

The Science Behind Tapping

Tapping, also called tap style (tapstyle), touch-style, and two-handed tapping, is a guitar playing technique where a string is fretted and set into vibration as part of a single motion of being tapped onto the fretboard, with either hand, as opposed to the standard technique of fretting with one hand and picking with the other. Tapping is the primary technique intended for some instruments ...
